

Overview of Plans and Strategies

In undertaking the Cirencester MCTI, it is important to build on what has gone before and not to reinvent the wheel.

A first step is to examine existing initiatives, plans and strategies relevant to the town:

- Previous health check work and the Our Future Cirencester consultation
- District Local Plan
- Supplementary Planning Guidance
- Local Development Framework (LDF)
- Gloucestershire County Structure Plan 2nd Review
- Gloucestershire Economic Strategy, 2003-2014
- Gloucestershire Rural Economic Strategy
- State of the District Report 2006
- Regional Spatial Strategy
- Regional Economic Strategy for the South West, 2003-2012
- Cotswolds Community Strategy and Local Strategic Partnership
- Crime and Disorder Reduction Strategies
- Local Transport Plan
- Health Improvement Plans
- Regional Energy Strategy
- Primary Health Care Trusts plans
- County Education Strategies
