

A CALL FOR VOLUNTEERS!!!

We have succeeded in getting through the first year of Our Future Cirencester and what a great year it's been! The final report from the Steering Group shows what we plan to do for next year and what we achieved last year.

The Town Council has delivered an amazing amount of work on the back of the Community Plan priorities and the work programme for next year is clear and achievable.

You will be pleased to know that all the volunteer efforts over the last 6 months have yielded 880 hours of volunteer time, which is the equivalent of 24 weeks of full-time work at a value of £34,150. We could not have gotten this far without you!

We have identified a number of projects we now wish to progress in 2009-2010. The priorities for this year are:

PROJECT	PRIORITY	ACCOUNTABILITY
